

JOB FOCUS

PRODUCTION DIRECTOR – PART-TIME

The Production Director plays a key leadership role in creating dynamic environments that facilitate worship and teaching, primarily through leading and training the production team. Also supports other ministries in training of staff and volunteers for basic production needs.

Qualities and Qualifications

- Clear testimony of faith in Jesus Christ and a vital, growing personal relationship with Him
- Experience in production areas (Sound, Lights, Media, Livestream) and a sense of calling to enthusiastically serve in this type of ministry role
- Training and experience in mixing audio
- Excellent communication, organizational and administrative skills
- Ability to easily interact with volunteers
- Participate in the community and activities of Vernon Alliance Church on a consistent basis
- Impeccable integrity and ability to maintain the highest level of confidentiality
- Ability to work well with volunteers and church staff
- Strong decision making skills.
- Self-motivated with a team approach including the ability to motivate volunteers through common sense and strong negotiation skills
- Strong problem solving skills and ability to handle stress well

Position Status

- Works independently with oversight from the worship pastor
- 12 hours/week

Position Specifics Could Include:

- Oversee the production side of the worship ministry (Sound, Lights, Media, Livestream)
 - Recruitment, Training & Scheduling
- Implement volunteer-friendly workflows & systems for production areas
- Model our worship culture to volunteers
- Training and production support to other ministry areas
- Willing and able to complete tasks as delegated by the Worship Pastor from time to time

Interested individuals can contact Joel Friesen at joel@vernonalliance.org, regarding this position. Those interested in applying should include their resume and cover letter explaining their relevant experience and training. Only those selected for an interview will be contacted. This position will remain open until filled.
